

# Gold King Mine Stakeholder Meeting

May 20, 2016, 9:00 - 12:00

Old County Commission Chambers, 117 S Main Street, Monticello, Utah

## Meeting Purpose:

1. Update stakeholders on findings associated with UDEQ's monitoring data in response to Gold King Mine release.
2. Share with stakeholders the plans for monitoring during Spring Runoff 2016 and ensure stakeholders know how to access the latest data and information.
3. Discuss long-term monitoring plan elements and accept comments from stakeholders on priority tasks. Comment forms will be available at the meeting.
4. Provide a forum for other agencies and jurisdictions to update stakeholders on issues related to Gold King Mine release.
